Re: Petition for Arbitration of the Interconnection Agreement Between BellSouth
Telecommunications, Inc. and Intermedia Communications Inc. Pursuant to Section
252(b) of the Telecommunications Act of 1996; Docket No. 99-00948

Dear Mr. Waddell:

Yesterday I filed Intermedia's Request for Production of Documents of BellSouth
Telecommunications, Inc. in the above-referenced matter. By oversight, this document was not
filed on June 19 as per the schedule, and BellSouth was not provided a copy until yesterday. Due
to the later filing, the parties have agreed to the following schedule for the document production
requests (other discovery responses will be filed July 11 as per the original schedule):

- July 17, 2000 - objections to discovery requests
- July 27, 2000 - discovery responses

Also, regarding discovery objections, after filing discovery responses on the scheduled July 11
filing date, the parties have agreed to pursue any motion to compel at a later date rather than
delay the proceedings and filings.

Sincerely,

H. LaDon Baltimore
